## SCENT OF NATURE - SPA

Taking care of your hands and feet is just as important as your face and skin. The Scent of Nature Spa System offers a comprehensive range of skin care products. They are a proprietary blend of topically applied, nutrient building-blocks, then infused with essential ingredients to support the appearance of healthy skin and nails.

### WATERLESS INSTANT HAND CLEANSER

A one step sanitizing gel that evaporates off the skin to control transient bacteria. Added moisturizers will protect the hands from drying out. Convenient to use between clients without water, the Waterless Instant Hand Cleanser kills 99% of Germs while providing delightful fruity scent.

**Available sizes :** 8.82 oz (250 g)

### HAND WASH

Perfect for everyday use, it cleanses the hands while leaving the skin soft and supple. Another great retail item!

**Available sizes :** 4.23 oz (120 g)

### HAND SCRUB

ONS Hand Scrub gently exfoliates skin leaving refined and radiant skin. A regular exfoliating scrub should be done to remove dead skin cells. Doing this will help you achieve a more vital, youthful looking skin. Helps to naturally reduce the size of the pores.

**Available sizes :** 4.23 oz (120 g)

### HAND PACK

Our Hand Pack is an important part of a weekly hand care regimen. A weekly Hand Pack treatment will send wonderful moisturizers to nourish dry skin helping to ease skin disorders by soothing and energizing dry skin. Including Hand Pack as part of a skin care routine can be an effective stress reliever.

**Available sizes :** 4.23 oz (120 g)

### HAND ESSENCE

Welcome to the future of anti-aging hand care. Hand Essence helps restore skin firmness promotes cellular energy production and helps minimize future signs of aging. The skin nutrients in Hand Essence were proven to increase skin elasticity to youthful levels. Hand Essence leaves aging skin in the past fighting current signs of aging for firmer, younger looking skin.

**Available sizes :** 4.23 oz (120 g)

### HAND LOTION

There are very few oil glands in the hands; hence they are more prone to dryness and peeling. Proper hand care is important to prevent redness, peeling and cracking. Use Hand Lotion every time hands are washed. Frequent hand washing increases the dryness making it essential to use a Hand Lotion regularly.

**Available sizes :** 8.82 oz (250 g)
